

SQUASH/RACKETBALL COMPETITIONS

RULES 2015

1. All players have a responsibility to try and organise their matches. Failure to play games by the 'play by dates' will result in BOTH players being disqualified unless representations are made to a member of the tournament committee before or on the due date. If one player is unable to play by the 'play by date', a bye will automatically be given to the other player.
2. No player can play in the competition unless the entry fee has been paid.
3. Players should be available to play on 'Finals Night' (Saturday, 2nd May).
4. Handicap Bands may be altered during the competition at the Committee's discretion.
5. First match losers must put their names through to the equivalent plate competition in the box indicated by the matching letter.
6. Scoring:
 - a. SQUASH OPEN play best of five games up to 9. Standard Scoring (with serve). At deuce (8 all) hand-out elects either set one or set two (9 or 10).
 - b. SQUASH & RACKETBALL HANDICAPS play best of five POINT-A-RALLY up to 11. Sudden death at deuce (10 all).
 - c. The matrix handicap system will be used again for this competition. It is designed to make all the matches roughly equal in length regardless of the handicaps. Please refer to the separate sheet and matrix for further details. All matches will start with the handicaps centred around zero – e.g. -6/+6, -2/+2, 0/0 etc.
