

Squash scoring - HIHO v PAR

Hand in / Hand out (HIHO)

- A point is scored only when the server wins a rally.
- When the server loses a rally he or she loses the right to serve and the opponent becomes the server.
- The first player to nine points wins a game.
- Best of five games.
- If, in any game, the score reaches eight-all, then the receiver decides whether that game is to be played to nine (Set 1) or ten points (Set 2).

Point-a-Rally to 11 (PAR 11)

- A point is scored for each rally won.
- When the server loses a rally he or she loses the right to serve and the opponent becomes the server.
- The first player to eleven points wins a game.
- Best of five games.
- If in any game, the score reaches ten-all, a player must win by 2 clear points.
