

Handicap Matrix for 2023 Autumn Competition

The 2023 Autumn Tournament will use the matrix handicap system, everyone is ranked into a band based on their league position over the last 6 months and squash levels rankings with appropriate adjustments made by the handicap committee.

A player's allocated band is shown in the separate list below.

The starting score for a handicap game is worked out by comparing your band with your opponent's using the matrix below.

As an example, a player ranked in band C playing someone in band G would start with their score on -6 and their opponent on +5 as highlighted.
